A \$2.6 million settlement has been reached in a class action lawsuit against Long Island Plastic Surgical Group, P.C. (“Defendant”) arising from a Cybersecurity Incident suffered by Defendant from January 4, 2024, through January 8, 2024, in which unauthorized cybercriminals accessed the Defendant’s information systems and exfiltrated Personal Information of Settlement Class Members. “Personal Information” includes, but is not limited to, full names, Social Security numbers, dates of birth, addresses, telephone numbers, driver’s license numbers, medical information and health insurance information, clinical photographs of patients, other protected health information, financial account information, and payment card information. Defendant denies the legal claims and any wrongdoing or liability, but has agreed to the Settlement.

**What does the Settlement Provide?** As a Settlement Class Member, you can submit a Claim Form online or by mail postmarked by **May 18, 2026**, for the following Settlement benefits:

**Documented Monetary Losses:** You may submit a Claim Form with documentation for losses fairly traceable to the Cybersecurity Incident for up to \$5,000 per Settlement Class Member; **OR**

**Injunctive Relief:** Defendant is implementing additional security measures following the Cybersecurity Incident.

**Other Options.** If you do not want to be legally bound by the Settlement, you must submit an opt-out request **postmarked by May 4, 2026**. If you do not opt out, you will give up the right to sue and will release the Defendant and Released Parties about the legal claims in this lawsuit. If you do not opt out, you may object to the Settlement Agreement by **May 4, 2026**. The Long Form Notice on the Settlement Website explains how to opt out or object. If you do nothing, you will get no Settlement benefits, and you will be bound by the Settlement and any judgments and orders.
